Transiton Meeting

Dear Ms. Andres:

It was a pleasure to speak with you yesterday concerning the Maryland Square site. This letter is to confirm our request for postponement of the transiton meeting scheduled for next week. We request this postponement for several reasons. First, I have returned to my duties with DCI just this week after a year of military leave and have not had time to sufficiently review the history of this site in order to knowledgeably discuss future activities. Furthermore, I understand that our consultant URS has not received all file materials on the most recent activites at the site including certain remedial efforts and we require review of these materials before we can present a plan for further activities.

As we discussed, a meeting for the week of April 26th should be sufficient time to prepare a plan for moving forward. I look forward to seeing you then.

Sincerely,

Randall L. Jackson, R.G., CHMM
